## Notice of “Vaccine Pass” Implementation Arrangement

The Independent Police Complaints Council (IPCC) has implemented the “Vaccine Pass” in tandem with the government departments from 24 February 2022. Under the arrangement, save for those who are medically unfit for COVID-19 vaccination as supported by a valid medical certificate, all persons, including Council Members, Secretariat staff, government officials, media representatives, visitors and staff of outsourced service contractors, must meet the vaccination requirements under the “Vaccine Pass” before they can enter the IPCC office (details refer to Table 1). Those who are medically unfit for COVID-19 vaccination are required to present the valid medical certificate accompanied by a negative COVID-19 test result.

When entering the IPCC office, please present the vaccination record QR code saved in the “LeaveHomeSafe”, “iAM Smart”, “eHealth” mobile apps or on paper vaccination records for scanning by the QR Code Verification Scanner.

**Notes:**

- For those who have only received the CoronaVac (Sinovac) or the Comirnaty (BioNTech) vaccines outside Hong Kong, their eligibility for Vaccine Pass should follow the requirements in the above Annex. In other cases, a person who received a “full course” COVID-19 vaccination outside Hong Kong will be deemed to have fulfilled the requirement for the 2<sup>nd</sup> dose, provided that the vaccine is on the list of recognised vaccines (“the List”) on the Government’s COVID-19 Thematic Website ([https://www.covid19.gov.hk/pdf/list\\_of\\_recognised\\_covid19\\_vaccines.pdf](https://www.covid19.gov.hk/pdf/list_of_recognised_covid19_vaccines.pdf)), and the person has received the “dose(s) required” stipulated under the List. For any 2<sup>nd</sup> or 3<sup>rd</sup> dose received by the person in Hong Kong, eligibility for Vaccine Pass will be determined accordingly. A person who has received the Anhui Zhifei Longcom Biopharmaceutical, Bharat Biotech, the Gamaleya National Center of Epidemiology and Microbiology or Novavax (i.e. Nuvaxovid/Covovax) vaccines will be deemed to have completed the third dose under the Vaccine Pass requirements provided that the “dose(s) required” stipulated under the List has been satisfied.
- For a person who will turn 18, he/she will be given a 3-month window, counting from his/her 18th birthday, during which his/her eligibility will follow the category applicable to persons aged 12 to 17, and thereafter his/her eligibility will follow the category applicable to persons aged 18 or above.
- For a person who will turn 12, he/she will be given a 3-month window, counting from his/her 12th birthday, during which he/she will be exempted from Vaccine Pass requirements, and thereafter his/her eligibility will follow the category applicable to persons aged 12 to 17.
- Recovery is defined as 14 days after the date of the most recent documented positive test.
- The number of doses received before infection count only those doses received at least 14 days before the most recent documented positive test. In other words, a dose received within 14 days before the most recent documented positive test will not be counted as a dose received before infection.
